Nearly half of all firefighter deaths are attributed to heart attack. It's time to sound the alarm. Firefighters, EMS, police and their spouses are invited to assess their heart health at our 'Lifesaver' Heart Health Screening. Participants will receive a Lipid profile (8 hour fast suggested), blood pressure exams, BMI, risk factor education and more.

Registration is not necessary for this event. For more information, please call 800.275.6401 and ask for "CareLink."
